## **Principals' Welcome**

We would like to extend a warm welcome to all students. The administration, faculty, and staff of Chartiers Valley High School have worked very hard to ensure that you can learn in an academically rigorous, socially enjoyable, and physically safe environment. We hope you grow both academically and socially. It is our hope that this student handbook will help you to prepare for a successful upcoming school year and answer any questions you may have.

Chartiers Valley High School offers numerous organizations, activities, and sports. Partaking in these activities will offer you the opportunity to collaborate with others and work as a member of a team. These are qualities that employers, colleges, and the military value. Participation in extracurricular activities also helps to develop leadership skills and is shown to improve grades.

This handbook also includes information about how to prepare for your future after high school. There is a wealth of information available at school and online to assist in defining and identifying your interests and skills. High school is a time of making several new decisions, including those involving academic or social issues. Teachers, counselors, and principals are always available to assist with any issues you may want to discuss.

In order to provide the safest learning environment possible, a Code of Conduct has been established with your safety in mind. This handbook contains the rules and regulations of the high school as well as the School Board Policies designed to enhance learning and prevent problems. It is your responsibility to read the Code of Conduct and abide by it. We all share the same learning environment and must respect the rules that have been created to provide safety for everyone. If you have any questions or need more information, please do not hesitate to talk to your teachers, counselors, or principals.

Finally, we wish you much success in the coming year. We hope you set goals and achieve them. Have a tremendous school year!

Sincerely,

CVHS Administration

## THE CREST

During the 2018-19 school year, as a component of renewal, focus groups of students, faculty, and administrators collaborated to develop ideas for a Chartiers Valley School District crest. Together, we identified the most significant concepts which represent the standards and aspirations of our schools: Integrity, Community, Innovation and Academia.

CVHS art teacher Christopher McHugh utilized the collective ideas and feedback from the focus groups to create a beautiful visual representation of Chartiers Valley School District.

Each symbol in the crest highlights a different element of CV's ideals:

- Red – Energy, Determination, Passion
- Blue – Truth and Loyalty
- 1956 – The year our 4 communities became CVSD
- Achievement Ribbon – Unity, School Pride
- Olive Wreath – Community, Agreement and Harmony
- Per Chevron – Constancy with peace and sincerity
- Column – Achievement through education
- Torch and Hands – Passing of knowledge from teacher to students
- Winged foot and Victory Cup – Athletics, sportsmanship, fair play
- Clef and Notes – Music and Performing Arts
- Drama Masks – Theater and Performing Arts
- Key of Knowledge – Unlock the doorway to knowledge
- Graduation Cap & Diploma – Academia, Achievement, Transition

## **I. ACADEMICS**

### **A. CHANGE OF SCHEDULE**

Students should refer to the [Program of Studies](#) for information regarding policies on schedule changes.

### **B. GRADING PROCEDURES**

Evaluation of the student's classroom performance and progress will be based on a system of points which will be converted to a percent and letter grade. The following scale will be used by all high school teachers when converting points to a percent and letter grade:

#### **STANDARD AND ADVANCED COURSES**

<b>Letter Grade</b>	<b>%</b>	<b>QP</b>	<b>Letter Grade</b>	<b>%</b>	<b>QP</b>	<b>Letter Grade</b>	<b>%</b>	<b>QP</b>
A+	97-100	4.5	A	93-96	4.25	A-	90-92	4.0
B+	87-89	3.5	B	83-86	3.25	B-	80-82	3.0
C+	78-79	2.5	C	73-76	2.25	C-	70-72	2.0
D+	68-69	1.5	D	63-66	1.25	D-	60-62	1.0
F	0-59	0	F	0-59	0	F	0-59	0

#### **HONORS**

<b>Letter Grade</b>	<b>%</b>	<b>QP</b>	<b>Letter Grade</b>	<b>%</b>	<b>QP</b>	<b>Letter Grade</b>	<b>%</b>	<b>QP</b>
A+	97-100	5.0	A	93-96	4.75	A-	90-92	4.5
B+	87-89	4.0	B	83-86	3.75	B-	80-82	3.5
C+	78-79	3.0	C	73-76	2.75	C-	70-72	2.5
D+	68-69	2.0	D	63-66	1.75	D-	60-62	1.5
F	0-59	0	F	0-59	0	F	0-59	0

#### **CIHS AND ADVANCED PLACEMENT COURSES**

<b>Letter Grade</b>	<b>%</b>	<b>QP</b>	<b>Letter Grade</b>	<b>%</b>	<b>QP</b>	<b>Letter Grade</b>	<b>%</b>	<b>QP</b>
A+	97-100	5.5	A	93-96	5.25	A-	90-92	5.0
B+	87-89	4.5	B	83-86	4.25	B-	80-82	4.0
C+	78-79	3.5	C	73-76	3.25	C-	70-72	3.0
D+	68-69	2.5	D	63-66	2.25	D-	60-62	2.0

F	0-59	0	F	0-59	0	F	0-59	0
---	------	---	---	------	---	---	------	---

The minimum percentage for passing is 60 percent. The usual percent range for an "F" grade given at the end of any nine week grading period will be 50-59% to prevent the likelihood of destroying a student's motivation. A student may earn lower than a 50% with documentation of interventions by teacher and administrative approval.

Modifications to the grading procedure may be necessary to satisfy the requirements of the individualized education plans when appropriate.

### **Grade Reporting/Report Cards**

Grades will be issued at the conclusion of each quarterly grading period (9-weeks). Student report cards will not be printed and mailed home; rather, parents and students may access quarterly and final grades via Infinite Campus. If you would like a paper copy of a quarterly report card, please contact the main office and a hard copy will be prepared for you. The following procedures will be used to determine grades for each of the grading periods:

### **Mid-term Exams**

Mid-term exams are an option for course instructors. When utilized, the mid-term examination score will be reflected on the students' report cards as a percentage and will change how grades are calculated at the semester and final grade levels.

### **Final Exams**

Final exams covering materials from each of the four grading periods will be given in all the major disciplines. Students taking AP courses will have the option of taking the AP exam or the course final exam. The final examination shall count as 20 percent of the final grade unless the teacher utilizes a mid-term exam during the first semester.

### **Quarterly Grades**

To calculate a quarterly (9-week) grade, the points earned in each class will be totaled and converted to a percentage.

#### **Grade calculations without a mid-term exam:**

- Semester 1: Average of quarters 1 and 2
- Semester 2: Average of quarter 3 and 4 final percentages (80% of second-semester grade); final exam (20% of second semester grade)
- Final Grade: Average of semesters 1 and 2 final percentages

#### **Grade calculations with a mid-term exam:**

- Semester 1: Average of quarter 1 and 2 final percentages (80% of first-semester grade); mid-term exam (20% of first semester grade)
- Semester 2: Average of quarter 3 and 4 final percentages (80% of second-semester grade); final exam (20% of second semester grade)
- Final Grade: Average of semesters 1 and 2 final percentages

One credit is earned by successfully completing a course that meets at least one period per day, five days per week. The minimum school-year load is *seven* subjects plus physical education.

It is a student’s responsibility to know the requirements for promotion and graduation and to make plans accordingly. Additionally, students must keep their parents/guardians informed of progress toward graduation. School counselors are available to assist students and parents. No student who has completed the requirements for graduation shall be denied a diploma as a disciplinary measure but he or she may be denied participation in the ceremony when personal conduct so warrants. Such exclusion shall be regarded as a school suspension.

Additional credits may be earned in the following ways and must be pre-approved by the Principal:

- 1) Attendance at summer school for a core course not passed,
- 2) Work experience,
- 3) Community Service.

### **Community Service Credit**

1. Students may earn one (1) Community Service Elective credit by completing 120 hours of community service over four (4) years.
2. Students deficient in credit(s) for graduation may obtain one (1) Community Service Elective credit by completing a minimum of 120 hours within one (1) calendar year.

All credits must have prior approval from the principal.

Students are responsible for knowing graduation requirements and what they must do to meet these requirements. It is the student's responsibility to keep parents informed as to his/her progress toward graduation. School counselors and staff are available to help.

### **D. MAKE-UP WORK**

Students should make arrangements with their classroom teachers immediately upon their return to school from an excused absence to make up work and receive credit for work missed. Work missed during a short term absence (i.e. one or two days) must be completed immediately upon return. Additional time will be given only in extenuating circumstances. If the student is expected to miss more than two days of school, it is the responsibility of that student, or his/her parent, to contact the school at (412) 429-2241 to request homework assignments. The student is strongly encouraged to communicate with teachers directly through email and to monitor Schoology during extended absences in order to complete assignments at home when possible.

### **E. PHYSICAL EDUCATION AND HEALTH**

Curriculum regulations, as prescribed by the Pennsylvania Department of Education, require all students to participate in physical education classes. Any student who is unable to participate in regular classes must submit a note from a physician and follow a planned program of adapted and modified activities. Forms for these activities may be obtained from the health office. In addition, two semesters of a health course is required for graduation.

### **F. SEQUENTIAL COURSES**

To continue in a second, third, or fourth year of a course, which is sequential in nature (world languages, mathematics, etc.), students must meet all prerequisites set in the Program of Studies.

### **G. TRANSCRIPTS, LETTERS OF REFERENCE**

Students must provide the Student Services office with a minimum of five days' notice when requesting transcripts or letters of reference to be sent to prospective colleges, employers, or the military. A transcript [request form](#) must be completed. **Official transcripts will only be sent directly from CVHS.**

### **H. STUDENT SERVICES**

Student services are available for all students in the school for their academic, personal/social, and career needs. These services include assistance with educational planning, occupational information, career information, study aids, help with home, school and/or social concerns, or any question that students may feel they would like to discuss with a school counselor.

Student records are held in strictest confidence by the Student Services office and are only accessible to prospective employers and other agencies upon consent of the student if they are of age (18), or of their parents if they are not. Only school administrators, faculty, and parents of the student may request access to the records without prior consent of the student.

Teachers as well as school counselors can be a source of information. Students should feel free to seek assistance.

School counselors are assigned as follows:

Lesley Kunkel	Students A-F	(412) 429-2268
Leah O'Malley	Students G-N	(412) 429-2629
Danyelle Boyd	Students O-Z	(412) 429-2271

**The Chill Project by AHN— Mindfulness Program for Schools**

The Chill Project uses mindfulness-based exercises to equip students, teachers, and parents with a common language and universal skills to identify, discuss, and react positively to stress.

School has always been a source of stress, whether you're taking classes, teaching, or parenting a student. Negative reactions to stress create a significant barrier to learning and growth. The Chill Project features dedicated professionals, a calming space, and regular instruction to help every member of a school's community better handle pressure and anxiety.

Participants in The Chill Project have access to:

- One-to-one counseling.
- Support groups
- School-based outpatient services
- School-wide preventive services
- Professional development opportunities
- A social-emotional curriculum and classroom consultations
- Exercises and consultations specifically designed for student athletes

**I. TECHNOLOGY EXPECTATIONS**

Students are expected to check their school email and Schoology accounts on a daily basis. Students are also expected to have their school issued technology device charged and with them at school each day. It is the student's responsibility to notify a teacher, counselor, or administrator immediately when in need of technology repairs or troubleshooting assistance.

Chartiers Valley utilizes programs such as Schoology, AP Classroom and other digital platforms to communicate with families. All programs utilized are reviewed through a district process to ensure student privacy is maintained. If you wish not to be communicated via these programs, please inform your classroom teacher at the beginning of the school year.

## **II. GENERAL INFORMATION**

### **A. ACCIDENTS**

Every accident in the school building, on the school grounds, at practice sessions, or at any athletic event sponsored by the school must be reported immediately to the person in charge and to the school nurse who will then report it to the proper authorities. Under no circumstances are students to leave school grounds for an injury sustained at school without proper authorization.

### **B. ANNOUNCEMENTS**

All announcements for the bulletin or public address system should be presented to the main office in writing by a club sponsor or teacher, preferably by the end of the previous school day. Bulletin board notices and announcement signs must have the approval of one of the building administrators; only flyers or notices that have been approved may be posted to the bulletin boards throughout the building. Items should not be posted directly on doors or walls.

### **C. ASSEMBLIES**

A variety of programs scheduled by the Student Council and Athletic Department are held throughout the school year. The following rules govern behavior in assemblies:

1. Enter the assembly area and sit with your class. Attendance will be taken, and students who are marked absent will be processed for a class cut.
2. As a courtesy to speakers or performers, no distracting behaviors or conversations will be permitted.
3. Whistling, booing, hissing, and other distractions will not be tolerated.

## **E. CAFETERIA/COMMONS AREA**

To encourage good nutrition, a well-balanced lunch is offered at a reasonable price. Food may not be delivered from outside services (i.e., pizza delivery, Uber Eats, etc.) or companies.

In order to keep the lunchroom operating smoothly, it is requested that the cafeteria lines be kept orderly and that all trash be deposited in the trash receptacles. Students should enter the serving area through the small hallway to the right of the check-out stations and wait for a cafeteria monitor to grant access to serving stations. Students are not permitted to take food items from the cafeteria. Students are responsible for cleaning up any debris and/or spills from their table before the end of the lunch period.

The authority of teachers on cafeteria duty is to be respected. Students must report to the cafeteria during their assigned lunch period and remain there for the entire period. Students should use the restroom located between the commons area and the gymnasium. Restrooms located in the learning houses and the AET department are off limits to students during their lunch period.

All students should remain seated until the bell rings at the end of the period. In addition, all students should arrive in the cafeteria by the time the late bell sounds. Students may only be excused with the permission of one of the cafeteria monitors.

Seating in the cafeteria is generally up to the students. If a problem occurs, cafeteria monitors have the authority to assign students to specific seats/locations in the cafeteria. Students who misbehave in the cafeteria will be disciplined according to the Code of Conduct (detention, Saturday detention, etc.).

In order to participate in athletics, a student must maintain a 2.0 GPA. Eligibility for the first grading period is based on the final grades for the preceding school year. If a student fails to meet these requirements, they will lose eligibility for the first 15 school days of the next grading period.

Their grades will be checked weekly starting 15 days into the marking period. Ineligible students will not be permitted to participate in any practices or games with any sport until the grade becomes a passing mark and should seek academic assistance in the failing subject areas.

Any student who appears on the eligibility list with a failing grade in a full credit course will be placed on WARNING status and must seek academic assistance in the failing subject area. Academic assistance for high school students is

available in the form of after-school tutoring for Math, Science, and English courses. Academic assistance in other subject areas will be coordinated through the athletics office.

If a student appears on the eligibility list for four (4) consecutive weeks in the same subject area, they will be removed from the team for the remainder of the season. The student will not be permitted to participate in any conditioning or preseason practices with another sport until the grade becomes a passing mark.

### **G. EARLY DISMISSALS, LEAVING SCHOOL GROUNDS**

Students requesting an early dismissal must have a signed note from a parent or guardian stating the reason for the request and a telephone number where a parent or guardian can be reached from 8:00 a.m. to 10:00 a.m. These students will report to their homeroom first and then to the office. **No student will be given permission to leave if a parent or guardian cannot be reached by phone.**

Students must sign-out immediately before leaving school property. Students are not permitted to leave school grounds at any time during the school day without permission. **Any students who leave school grounds without permission will face disciplinary consequences.**

#### **Drop-off and Pick-up Procedures:**

When arriving before or departing after regular school hours, Chartiers Valley High School students should be dropped off at door #21 by the stadium home entrance and picked up at door #32 by stadium visitor entrance.

When dropping off at door #21, please drive around to the back side of the building by the stadium parking lot. Pull into the lot by the stadium home entrance and pull as far up as possible to allow room for other cars to pull in behind you.

To pick up at door #32, when coming up the driveway, make the first right turn and proceed past the middle school toward the stadium. When picking up, please pull as far forward in the vehicle waiting area as possible. As cars exit the waiting area, please continue to pull forward to make room for others.

For late arrivals or early dismissals, Chartiers Valley High School students should be dropped off and picked up at the main entrance of the high school, door #1. When coming up the driveway, make the second right, just past the auditorium, to access the visitor parking and drop-off area located in front of door #1.

If you need to schedule an early dismissal for your High School or Middle School student, please schedule it before 2:20 pm. Parents will not be permitted to drive on campus between 2:20 pm and the time of the departure of busses (approximately 2:40 PM).

### **H. EMERGENCY SCHOOL CLOSINGS**

In case of school delays or cancellations due to hazardous weather conditions, the Chartiers Valley School District utilizes an automated messaging system for notifying parents/guardians. This system will automatically contact the main phone number on file with the school. Please remember to notify the school of any telephone changes to ensure that this service is effective. Contact numbers can also be changed through the Infinite Campus software program. Closings and delays can also be known by tuning to the following news channel stations: News Channels (TV and Internet): KDKA-TV (Channel 2), WTAE-TV (Channel 4), WPXI-TV (Channel 11).

In case of inclement weather or emergency, it is important to keep telephone lines to school open. Parents and students are asked to refrain from calling the school during these times.

### **I. FIRE DRILLS**

Always be alert for a fire drill. No student is excused from participating in a drill. Each room has exit directions. Follow these in an orderly, quick-moving manner. Students in the gym or under showers will exit as soon as possible. Any infractions should be reported to the office.

## **J. HALL PASS/SIGN-OUT PROCEDURES**

When students need to leave the classroom to use the restroom or water fountain, they must sign out and back in using the classroom sign-out sheets. When students need to visit the main office, nurse, Student Services, technology room, locker, Chill room, or other out-of-area locations, they should ask the permission of the classroom teacher and obtain a paper hall pass. Students in the halls who have failed to properly sign out and/or who are without a proper hall pass, as well as students found in unauthorized locations, will be in violation of the Code of Conduct.

## **K. HIGH SCHOOL OFFICE**

The High School office is a public place of business. Throughout the course of the day, the office staff manages and supports a wide variety of student, teacher and community related activities. Proper conduct is expected at all times while visiting the office. Please show respect through your patience and polite interactions with the office personnel as they assist you.

## **L. HOMELESSNESS: SUPPORTING STUDENTS THAT EXPERIENCE HOMELESSNESS**

The McKinney-Vento Homeless Assistance Act is a federal law that ensures immediate enrollment and educational stability for homeless children and youth. According to this act, a family is considered to be homeless if they lack a fixed, regular, and adequate nighttime residence and:

- They are staying with friends or family because they lost their housing.
- They are living in a shelter or transitional housing program.
- They are staying in a motel/hotel because they do not have access to their home or cannot get a home.

## **M. ILLNESS AND MEDICATION**

Students who become ill during the school day should report to their classroom teacher and obtain a pass to the Health Office. If a student is too ill to go to the classroom, they should report to the Health Office with appropriate assistance. Students can contact their parents on the Health Office phone after an assessment by the School Nurse. Under no circumstances is a student permitted to be released home or leave the school grounds without permission from a parent, guardian, or an emergency contact person. Students must be signed out in the main office by the parent, guardian, or emergency contact before leaving school grounds.

Students who require the administration of any medication during school hours must comply with the following policy:

1. Medication (prescribed and over-the-counter) will be administered by the School Nurse. All medications except self-managed medications (inhalers and epinephrine) will be stored in the Health Office in a locked cabinet.
2. A “Permission for Medication Administration” form must be completed by a physician and parent/guardian and sent to the Health Office. The form must be renewed annually.
3. Medications must be sent to school in the original containers. Only medications sent to the school from parents/guardians will be dispensed.

No student is permitted to possess or dispense prescribed or over-the-counter medicines on school property. Failure to adhere to this policy will be considered a violation of the school district Drug and Alcohol policy.

## **N. JUVENILE HISTORY RECORD INFORMATION**

The building principal (or designee) may receive written notification of adjudication of delinquency of children enrolled in the school. The information is provided for the purpose of protecting school personnel and students from danger and for arranging appropriate counseling and education for the child.

The information shall be maintained separately from the child's official school records and disciplinary records. The information shall be transferred to the building principal of any public or private school to which the child transfers enrollment.

The information shall be available for inspection by the student and parent or guardian. (Reference: 42PA C.S. #6341-Board Approved 4/10/96)

## **O. DIGITAL MEDIA CENTER**

Students may report to the Digital Media Center (DMC) during their study hall; however, each student must sign up using the approved electronic format and there will be a maximum number of students permitted during each period.

- All books in the DMC may be checked out for a period of three weeks. Materials may be renewed for an additional three weeks if necessary.
- Violation of any DMC rule may result in suspension of DMC privileges.
- Expectations for student conduct in the DMC are similar to the expectations in any classroom. Students should respect the space, one another, and the posted rules.
- Please be courteous of fellow classmates, faculty, and staff by working and talking quietly.
- Students are not permitted to eat lunch in the DMC.

## **P. LOCKERS**

Lockers will be assigned by grade level and homeroom. The district will not provide locks, but students are strongly encouraged to bring a lock. The school district is not responsible for lost or stolen items taken from a locker. Leaving valuables in an unlocked locker is unsafe and should be avoided. Lockers should not be shared with other students. Each student is responsible for any damage to the internal part of the locker. Do not deface lockers.

## **Q. LOST AND FOUND**

If an item has been lost or found, please notify the office. Campus safety personnel will assist the appropriate principal in all investigations. Items remaining at the end of each semester will be donated to a charitable organization.

## **R. LOST OR DAMAGED SCHOOL MATERIALS**

The Chartiers Valley Board of School Directors has adopted a policy requiring students and their parents to pay full replacement cost for any textbook, technology device, or school material that was lost or damaged while it was assigned to the student. **No grades, transcripts, records or diplomas will be released for any student who has a financial obligation to the district.**

## **S. MIDDLE SCHOOL CLOSED TO HIGH SCHOOL STUDENTS**

High school students are not permitted in the Middle School unless authorized by a High School and Middle School authority. High school students who are found to be in the Middle School without permission will face disciplinary consequences.

## **T. NON-INSTRUCTIONAL ITEMS**

Students are strongly discouraged from using electronic devices (e.g., cellular phones, iPads, etc.) during the school day. Additionally, items not used for instructional purposes (toys, games, etc.) should remain at home. Students are not permitted to use personal communication devices during class time unless otherwise directed by the course instructor. Use of these devices when prohibited will result in disciplinary consequences.

### High School Cell Phone Policy

High school students and their cell phones make an interesting combination in their teenage years. When students do not have the freedom of accessing their electronic devices during school hours, they are more engaged socially and academically. The requirement for personal electronic devices (cell phones, smart watches, headphones/AirPods) is that all devices are “away for the day.” Students will be permitted to utilize handheld devices for educational purposes when a teacher permits. Use of any personal electronic device (phone, watch, headphones/airpods, etc.) that is not directly related to the educational curriculum without pre-approval from a faculty/staff member or administrator is strictly prohibited during instructional class time. Students have permission to use their personal electronic devices during morning arrival, homeroom, study hall periods, and lunch periods. Once the day has started, personal electronic devices must be turned off and kept in a secure location (student's backpack or locker). Repeat offenders will be subject to the code of conduct violations.

Students may not take any photographs and/or video on any such district or personal electronic device, unless expressly permitted by school personnel for an educational purpose. Use of electronic devices without approval of school personnel is a violation and will result in disciplinary action, subject to the discretion of administration.

### U. POSTING OR DISTRIBUTING MATERIALS

The principal's permission is required when a student wishes to post or distribute materials on school property. Once approved, materials must be signed by a principal prior to posting around the school building or distributing. Any materials posted without the principal's approval and signature will be discarded.

### V. RESTROOM USAGE

Should the need arise, students are expected to use the restroom facilities during the pass time provided between class periods. If the need to use the restroom facilities arises while a student is in class, the student must obtain authorization from the teacher to use the digital hall pass. Students should use the restroom located closest to their assigned classroom. When in D building, students should use the restroom located within their learning house.

Each student should remain in the classroom to obtain the best possible education; therefore, the need to leave the classroom should not become a regular occurrence. Students will be required to provide documentation from a physician if they have a need to use the restroom on a regular basis while class is in session.

Students are reminded that only one student may be in a restroom stall. Students who congregate in a stall are subject to a search due to suspicious behavior as well as disciplinary action. Campus safety personnel, teachers, and administrators will routinely check all restrooms on the campus.

All individuals have a right to privacy in areas where there is an expectation of privacy, including but not limited to locker rooms and restrooms. Students may not take or tamper with videos or photos of other students without their consent. **Any violations of this right will result in disciplinary consequences including and up to expulsion.**

### W. STUDENT ACCIDENT INSURANCE

Insurance will be available to all students. Information regarding this insurance may be obtained by calling the school district's business office at 412-429-2210.

### X. STUDENT ASSISTANCE PROGRAM (SAP)

The Student Assistance Program (SAP) is mandated throughout all public secondary schools in PA. It is designed to assist school personnel in identifying student issues, including alcohol and drug use, which pose a barrier to learning and school success.

The mission of SAP is to help students and their families, encourage healthy coping skills, and to increase school success. Students' health, safety, and welfare are always of utmost importance. The SAP Team coordinates the program. The team includes teachers, counselors, administrative staff, etc. These individuals are specially trained to identify problems, determine whether or not the presenting problem lies within the responsibility of the school, and

offer resources to assist the student and parent. It is neither the mission of the school nor its responsibility to resolve all problems that impact school performance.

Involvement of parents in all phases of the SAP underscores the parents' role and responsibility in the decision-making process affecting their children's education and is the key to successful resolution of problems.

School personnel, peers, students themselves, or family members may refer students to SAP. Any person who is concerned about a student is encouraged to refer the student by contacting the school counselor.

Some signs and symptoms of students who may be referred to SAP are:

- Decline in grades/academic performance
- Poor attendance
- Change in friends, behavior, or attitude
- School phobia
- Violation of school rules
- Health problems
- Alcohol and drug use
- Family issues/stress/violence
- Being at risk for suicide or other mental problems including anxiety/fear, withdrawal, isolation, risk-taking or self-abusive behavior, eating/sleeping/grooming problems or peer relationship problems
- Being a victim of violence/abuse
- Eating, sleeping, or grooming changes

## **Y. STUDENT DRIVING AND PARKING (policy #223)**

Students who qualify for a permit must secure the necessary form on the school website, which will require parental permission and signature. The permit is valid for the designated time period not to exceed one school year. A permit sticker must be affixed to the rear window of the vehicle. The permit must have the approval of the Principal, or it is not valid. This permit can be suspended at any time by an administrator if the student driver fails to abide by any of the following regulations:

- Park only in the assigned student parking area.
- Do not sit in cars or loiter in the parking area during the school day.
- Never pass buses on school property.
- Obey all traffic signs.
- Give pedestrians the right-of-way.
- The speed limit on school grounds is **15 mph**.
- Driving from school grounds during school hours is not permitted unless the student is leaving for school related programs and/or has written permission from a parent and approval of a high school administrator. Failure to adhere to this will result in disciplinary consequences per the Code of Conduct.
- Excessive tardiness/absences will result in loss of driving privilege/permit.
- Students are not permitted to transport passengers unless written permission from the parents of both the driver and passenger are presented to a high school administrator.
- In case of an extenuating circumstance, administrators may grant a temporary one day parking pass.

This procedure is for the personal safety and security of students. It is expected that student drivers will abide by these rules, remembering that driving to school is a privilege that can be revoked.

Unauthorized vehicles may be ticketed for parking on private property or may be towed away at the owner's expense. Students who repeatedly park a vehicle on school grounds without proper authorization are subject to disciplinary action, as well as fines for the parking tickets that are issued for these violations.

Any violations of school driving/parking regulations may result in any or all of the following:

1. Warning
2. Municipal Authority Citation
3. Revocation of driving privileges
4. Suspension from school
5. Police Department Citation
6. Towing at owner's expense

### **Student Parking**

  - Incomplete paperwork will result in forfeiture of the parking permit.

### **Z. VALUABLES**

Students are strongly discouraged from bringing valuable items to school. Safety of items stored in a backpack or locker cannot be guaranteed. Students wishing to carry valuables will do so at their own risk and responsibility. Chartiers Valley High School is in no way responsible for any lost or stolen items. Students are strongly encouraged to bring a lock to place on lockers while in physical education class or while staying after school for sporting activities, including the use of the fitness center (weight room). Leaving valuables in an unlocked locker is unsafe and should be avoided.

### **AA. VISITORS**

When visiting our school, please use the main entrance (Door #1). For safety precautions, all outside doors will be locked during school hours. Visitors will be required to register and wear the provided visitor's badge at all times while in the building. All Chartiers Valley buildings utilize the RaptorWare visitor software. This software scans driver's licenses and cross references the National Sex Offender watch list. The software also automatically issues your visitor badge. Visitors must be accompanied by District employees at all times unless otherwise authorized by the principal.

Students may not receive visitors unless, in an exceptional circumstance, prior permission has been given by a building principal.

## **III. STUDENT CONDUCT**

### **A. ACADEMIC INTEGRITY**

Academic integrity indicates an ability to meet and face issues. It also creates an atmosphere of trust, respect, and security, which is encouraged at all levels. In addition, it is essential that grades accurately reflect the achievement of the individual student. Faculty, students, and administrators have shared responsibilities in maintaining the academic integrity essential for the school to accomplish its objectives.

#### **Violations of Academic Integrity:**

- Obtaining help from another student during examinations.
- Knowingly giving help to another student during examinations.
- Using notes, books, or any other sources of information during examinations, unless authorized.
- Obtaining, without authorization, an examination or any part thereof.
- Plagiarism
- Providing one's work for another student to copy and submit as his/her own.
- Altering, or causing to be altered, the record of any grade in a grade book, office, or other record.
- Utilizing Artificial Intelligence against teacher permission to complete assignments.

Consequences for violating the academic integrity procedure may include the student receiving a zero (0) for the assignment as well as appropriate disciplinary consequences.

## **B. AUTHORITY**

There is no division of authority among members of the staff of the high school. Middle School staff members are also authorized to reprimand or correct High School students who misbehave at any time or any place during the school day. Teachers, according to the school code, have authority over pupils to and from school. Campus safety personnel also represent authority figures in the educational complex.

## **C. DISCIPLINE PROCEDURE GUIDELINES**

The Chartiers Valley School District uses a progressive system of discipline. Students may be assigned directly to after school detention, Saturday detention, or out-of-school suspension depending upon the rule violation. The principal may deviate from this procedure in exceptional circumstances.

## **D. DISCRIMINATION**

The District will not tolerate discrimination on the basis of race, color, or national origin by students or employees and will take appropriate disciplinary action against individuals that violate this policy.

## **E. CODE OF CONDUCT (policy #218)**

The Chartiers Valley Board of Directors adopted a Code of Conduct that provides a description of expectations and responsibilities for students, parents, and school personnel.

The Code of Conduct defines disciplinary offenses and consequences on three levels. The disciplinary options are defined in the Code of Conduct. The building principal shall have the authority to assign discipline to students, subject to the policies, rules and regulations of the district and to the student's due process right to notice, hearing, and appeal.

The Chartiers Valley High School administrators will also implement various interventions as seen fit based on the nature of the disciplinary violation. These interventions will allow students to reflect on the harm that was caused as a result of violating the Code of Conduct with a focus on repairing the emotional or physical damage. The shared goal among administrators, teachers, parents, and students when engaging in these practices is to allow the student to learn and grow from the disciplinary incident and improve behavior moving forward to ensure academic and personal success and a positive experience while at school.

## **LEVEL I**

Level I infractions are minor misbehaviors on the part of the student that impede classroom procedures or interfere with the orderly operation of the school. Every staff member should:

- Serve as a positive role model.

Tampering with, vandalism, or unauthorized use of Chartiers Valley School District computers or other electronic equipment (printers, cabling, drives, monitors, keyboards, mice, VCR'S, televisions, etc.) or software or associated documentation is prohibited. Violations of this policy by students or adults may also constitute violations of the Pennsylvania Crimes Code or other statutes, subjecting violators to serious criminal prosecution. This policy is intended to be at least as broad and encompassing as Section 3933 of the Crimes Code (as of January 1995). Student violators will be subject to discipline up to and including possible expulsion. This policy includes inappropriate use of the Internet, network, and email capabilities that exist on school district computers. All violators will be held responsible for restitution of any damage to hardware, equipment, software, and documentation, and for any direct consequential damages.

## **G. DENIAL OF PARTICIPATION IN EXTRACURRICULAR ACTIVITIES**

## **H. DETENTION PROCEDURES**

When a student is assigned to an after-school detention or a Saturday detention, they must abide to the procedures outlined below:

### **Recalcitrant Students**

A student who becomes a chronic behavior problem and whose conduct constitutes a violation of the right to education of other students may be recommended to the superintendent for expulsion. Three suspensions in a single school term may result in a recommendation for expulsion. This, however, does not preclude a recommendation for expulsion following a first or second offense, if in the judgment of the principal, the gravity of the offense warrants such action.

In each of the preceding circumstances, it is incumbent upon the parents and professional staff to use to the fullest extent all possible preventive and corrective measures including parent conferences, counseling, case conferences, peer review, and other appropriate interventions.

#### **I. DRUG AND ALCOHOL POLICY (policy #227)**

The student is not permitted to attend school or participate in any extra-curricular activities during this time period. The student is not permitted on school grounds at any time during the suspension. If observed on school grounds, the student will be cited for trespassing. A post-suspension conference may be held to discuss the incident and develop strategies to prevent similar misbehaviors.

#### **L. RECORDING WITHOUT PERMISSION PROHIBITED**

No student is permitted to make an audio or video recording of another individual or a class session without the permission of the student, teacher, or administrator who is being recorded. All individuals have a right to privacy in areas where there is an expectation of privacy, including but not limited to locker rooms and restrooms. Students may not take or tamper with videos or photos of other students without their consent. **Any violations of this right will result in disciplinary consequences including and up to expulsion.**

#### **M. REPORTING UNSAFE AND DANGEROUS ACTS**

Students who have knowledge that a student has or is considering a dangerous or unsafe act that could affect the health and safety of that individual or others must report it. Students should report any concerns to the principals or school resource officer immediately. Students who are found to have knowledge of an unsafe act or a threat of an unsafe act and do not report it immediately could be subject to school and legal consequences.

Students may also submit anonymous reports through the Safe To Say Something program by using the S2SS app, calling 1-844-SAF2SAY, or visiting [www.safe2saypa.org](http://www.safe2saypa.org).

#### **N. SCHOOL BUS (policy #810)**

Bus drivers must concentrate all of their efforts on the safe operation of the bus and cannot afford to divert attention to handle discipline problems with student passengers.

Listed are some of the reasons a student may receive a warning, bus suspension, out-of-school suspension, criminal charges, or other school consequences:

1. Throwing objects in or out of the bus.
2. Fighting on the bus.
3. Smoking/use of a vaping device on the bus.
4. Drug/alcohol use on the bus.
5. Lighting combustible objects on the bus.
6. Defacing or destroying school property (seats, lighting, windows, etc.).
7. Using obscene language on the bus.
8. Extending any part of the body out of the bus.

9. Distracting the bus driver's attention in any unnecessary way.
10. Failing to remain seated.
11. Causing a disturbance on the bus.
12. Eating or drinking on the bus. Eating and drinking on the bus is prohibited.

High school students may only ride their assigned bus. High School students may not ride buses that transport middle school students. Students and others who are directed by the driver or another person with authority must do so.

Students who violate safe bus conduct procedures will be subject to consequences per Board Policy 810.

For a first offense misconduct report, the student will receive a warning, except when the offense is deemed serious enough to warrant severe measures by the administration and/or Board. For a second offense, a temporary suspension of transportation privileges up to three (3) days will be invoked. The principal will inform the student of the reasons for the suspension, and the student will be given the opportunity to respond to the action. Various interventions, such as repairing the physical or emotional harm caused by the bus misbehavior, may also be implemented as seen fit based on the disciplinary violation.

The principal will also:

- Contact the student's parent/guardian, and give notice of the action.
- Send a letter to the parent/guardian, with a copy to the Superintendent, giving a full report of the misconduct.
- Inform the school bus driver of the action taken.
- Provide an opportunity for a conference with the parent/guardian before the suspension is terminated.

A student who commits a third offense will be given a five (5) day suspension from bus riding privileges. As in the case of the second offense, the principal will implement the same adjudication procedures.

If repeated offenses result, a student could receive full suspension of school transportation privileges or expulsion from school. The principal will conduct an informal hearing on the alleged violation.

Any decision for an expulsion would be determined by the members of the Board.

## **O. SCHOOL DRESS (policy #221)**

Appropriate student dress and grooming are related to the efficient and orderly operation of a school. Good student appearance is often reflected in student performance and tends to promote and improve interest in educational endeavors and enhance the development of positive self-esteem.

The following are prohibited at the High School:

- Articles containing messages or illustrations promoting drugs, alcohol, tobacco, weapons, sexual (including innuendo), illegal or inappropriate language or activities
- Apparel that demeans or degrades others
- Chains (including wallet chains, spiked dog collars/bracelets)
- Tops that are low cut or expose the midriff
- Shirts with spaghetti straps, one shoulder, tube tops/strapless, cut off tops, mesh tops, halter tops
- Skirts or shorts that are shorter than the fist when arms are fully extended to the sides
- Holes or rips in material above the mid-thigh/closed fist
- Pajamas
- Blankets
- Clothing that is worn in such a way that undergarments are exposed
- Overcoats

Additionally, all pants and shorts must be worn at waist height. Shoes must be worn at all times.

Teachers and principals will make the final determination as to clothing that is inappropriate or detrimental to the educational process.

**P. SEARCHES (policy #226)**

The administration may authorize a search of a student, student’s locker, student's vehicle, and/or other belongings if there is a **REASONABLE SUSPICION** that there is a possible threat to the health, welfare and/or safety of any student or staff member.

- **Personal Searches** - A student's person or personal property (purse, book bag, jacket, trousers) will be searched whenever the administration has REASONABLE SUSPICION to believe that he/she is in possession of illegal or unauthorized materials or dangerous substances.
  - A pat down search of a student may be conducted in private by the school resource officer and/or administrator and another staff member. No strip searches will be conducted by school personnel.
- **Locker Searches** - Student lockers are school property and remain at all times under the control of the school. Students shall have no expectations of privacy in their locker, and the administration reserves the right to inspect lockers at any time by any means. Students should keep in mind that since lockers belong to the school district, a locker may be searched at any time. Any item disclosed by a search can be used for disciplinary action and may be turned over to law enforcement officials. Students are expected to assume full responsibility for the contents of their lockers.
- **Canine Sweeps** - Chartiers Valley School District reserves the right to enhance the safety and security of students and staff by the use of canines trained in the detection of narcotics and explosives. Such searches will be at the direction of District Administration, and may be unannounced; areas to be part of such searches will be public areas (hallways and parking lots) and all areas which are the property of the School District.
- **Use of Metal Detectors** - The Administration of the Chartiers Valley School District may direct its staff members to employ the use of handheld or walk-through metal detectors or other devices to ensure the safety of students, staff, and property. Contraband items found as a result of the use of such devices may be confiscated, and appropriate disciplinary action will be taken as outlined in the Chartiers Valley School District Code of Conduct, or by federal, state, or local statute.
- **Video Surveillance** - The safety and security of students and staff are of primary importance to Chartiers Valley School District. The School District employs video surveillance equipment for security purposes. This equipment may or may not be monitored at any time. This equipment may be located within or outside the buildings of the School District.

Each situation will be investigated, and students found guilty will receive a suspension with the possibility of expulsion. All cases will be reported to the authorities for prosecution. Any student witnessing or experiencing a threat should report it to the principals, school resource officer, teacher, or staff member immediately. No threat should be presumed to be harmless.

## **S. TOBACCO PRODUCTS (policy #222)**

Tobacco use shall be defined as use and/or possession of tobacco or tobacco-related items/devices including but not limited to: a lighted or unlighted cigarette, electronic cigarettes and/or smoking devices, cigar, pipe, other smoking product or material, smokeless tobacco in any form, and/or tobacco-related items/devices. Electronic cigarettes are defined as any oral device or products that provide a vapor of liquid nicotine, lobelia, and/or other substance, and the uses or inhalation of which simulates smoking. The term shall include any such devices, whether they are manufactured, distributed, marketed, or sold as e-cigarettes, e-cigars, e-pipes, vaporizers, or under any other product name or descriptor.

Students in possession of a tobacco product will be considered in violation of this policy. Students will be subject to penalties prescribed in the Code of Conduct, up to and including possible expulsion and referral to district magistrate. In addition, any student found in an area (e.g. bathroom stall) where smoke or vapor is present will risk the consequences stated in the smoking policy and/or those associated with creating an unsafe or dangerous condition. Students are reminded that only one student should be in a bathroom stall at any given time. All students who congregate in a stall where smoke or vapor is observed or suspected will be subject to a search and risk disciplinary consequences.

## **T. WEAPONS (policy #218.1)**

The Chartiers Valley Board of School Directors adopted a weapons policy, which can be found on the district’s website. Federal and state laws require public schools to follow prescribed action including the possibility of expulsion and police notification for instances where students use, possess, or distribute weapons or dangerous instruments in school.

## **U. UNAUTHORIZED AREAS**

Students should not be in any area or classroom of the building unless under the direct supervision of a staff member. Students in unauthorized areas (Middle School, cutting classes, locker rooms, etc.) may be considered to be trespassing, a violation of the Crimes Code of Pennsylvania. Violators may be subject to a wellness check, school disciplinary

action, and legal consequences. Students discovered in an unauthorized area where a Code of Conduct violation or criminal activity is thought to have occurred are subject to disciplinary consequences and possible search and prosecution.

## IV. ATTENDANCE

### A. ATTENDANCE (policy #204)

State law and school board policy requires daily attendance except for illness or serious emergency. Students are requested to have a parent call the high school office (412-429-2241) in the morning if they must miss school on any given day. Additionally, a written excuse must be provided to the school within 3 days of returning to school after an absence. Any student who misses more than ten school days or five consecutive days in the school year must present a physician's excuse for each additional absence. Failure to do so may result in legal and disciplinary consequences, as well as the likelihood of lower grades due to poor attendance.

The Board of Education requires that school aged pupils enrolled in the schools of the district in which they live attend school regularly in accordance with the laws of the Commonwealth of Pennsylvania. The educational program offered by this district is predicated upon the presence of the pupil and requires continuity of instruction and classroom participation.

1. Upon arrival at school, all students must report to their **homeroom**. Students arriving after **7:35 a.m. must report to the office to receive a tardy pass** that will admit them to homeroom. Failure to sign in at the main office can result in disciplinary consequences. Students who do not report to the homeroom but are in the complex will be reported to the office immediately.
2. Daily attendance will be taken by the homeroom teacher and forwarded to the office by the end of the homeroom period. Students will be marked tardy unexcused if they enter their home room after 7:35 without a tardy pass.
3. Students who arrive late to school must enter and sign in at the main office through Door 1 upon entering the school. A parent or medical note is required upon arrival to excuse the tardy.
4. Upon returning from an absence, students must give an excuse to their homeroom teacher or Ms. Clokey in the guidance office for their day(s) of absence. Failure to provide an excuse for an absence within three school days after returning will result in the student's day(s) of absence being marked illegal or unexcused.
5. Students are permitted to submit up to 10 parent-written excuses per school year; all subsequent absences will require a medical note to be legally excused.
6. Impassable roads, disabled school buses, and medical or dental appointments that cannot be scheduled after the normal school day are valid excuses for tardiness.
7. Medical or dental appointments must be verified by a written excuse from the doctor.
8. Reasons such as sleeping in, missing the bus, or transporting a parent, relative or friend, etc. are not valid excuses for tardiness and will be classified as unexcused.
9. In order to participate in any extracurricular activity (athletic events, dances, etc.) conducted under the auspices of the high school, a student must be present for **(5) full periods** on the day of the event. No departures from this policy will be accepted without approval of a principal.

Students arriving late to school must enter through Door 1 of the high school and MAY NOT have other students let them in through another door. Any student found to enter through an unauthorized door or open/prop open a door for students arriving late will face disciplinary consequences for this unsafe behavior that compromises the safety and security of our school.

## **B. TRUANCY PROCEDURES (policy #204)**

A child is "truant" if the child is subject to compulsory school laws and has incurred three or more school days of unexcused absences during the current school year. A child is "habitually truant" if the child is subject to compulsory school laws and has incurred six or more school days of unexcused absences during the current school year.

### Excused and unexcused absences

- Each day that a child is absent from school, an electronic attendance notification is sent to parents.
- After 3 unexcused absences, a Three-Day Truancy letter is sent, indicating that the student is considered "truant" and detailing the time and date of an Attendance Improvement Conference (AIC).
- After the accumulation of 6 unexcused absences, a Habitually Truant Letter is mailed to parents indicating the actions that will be taken as a result of truancy, typically resulting in the filing of a truancy citation with the magisterial district judge.

### Attendance Improvement Conference (AIC)

School staff will coordinate with the family to arrange an Attendance Improvement Conference (AIC) to be held at the school or via Google Meet in order to discuss causes for the child's truancy and create a mutually agreed upon plan to resolve truancy concerns. Discussion at this conference will include current academic difficulties, physical or behavioral health issues, family/environmental concerns, or any other barrier impeding the child's attendance at school. At the AIC, a school-based attendance improvement plan will be developed, which will include steps to support positive attendance as well as what actions will be taken if the student reaches 6 unexcused absences. The school must hold the AIC conference even if the person in parental relation declines to participate or fails to attend after the school or nonpublic school provides advance written notice and makes attempts to communicate with the individual via telephone.

### Attendance Improvement Plan (AIP)

At the conclusion of the AIC, the school will document the outcome of the AIC in a written school Attendance Improvement Plan. All participants will be given a copy of this comprehensive Attendance Improvement Plan (AIP) that is agreed upon by school representatives, the child, and parents/family. This AIP should detail and include: access to academic and social/health supports within the school setting, an outline of parent/guardian and student responsibilities to improve attendance, and a plan for progress monitoring that includes both positive outcomes and potential negative consequences for compliance to or violation of the AIP.
