food.**

Fulfilling our promises to our clients in all areas including:

- Cost Controls
- Increasing Participation
- Promotion of the Program
- Nutrition Education
- Customer Engagement

Summer Seminar 2024

This year's theme was
be the change!

be the
CHANGE
summer seminar 2024

During the summer months, we continue our focus on training for our management team. Their participation in our annual Summer Seminar offers them invaluable opportunities for learning and growth.

Training

TheNutritionGroup.com | 888.272.8106

Professional Development Day

Our hourly cafeteria staff attends our Professional Development Day, where they earn continuing education credit requirements set by the USDA. This training also empowers them to deliver delicious meals with outstanding customer service.

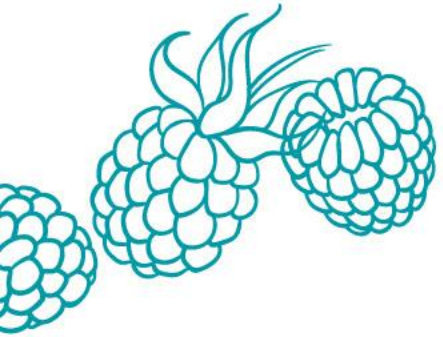

This year's sessions included:

- Cost Control
- Safety
- Customer Service
- HACPP / Sanitation
- Production Records
- Offer vs. Serve

Keeping it Fresh!

Sustainability

Small changes, huge impact.

TNG cares. We care, not only about our people and customers, but also, we care globally. We strive to trail-blaze sustainability initiatives within our organization as well as partner with our clients to achieve the level of purpose each has set in their specific, eco-friendly goals.

Greenware

We added greenware options for our customer's consideration.

- Compostable Trays/Serving Plates
- Environmentally Preferred Flatware
- Environmentally Preferred Straws
- Compostable Serving Cups/Bowls

Reducing Our Carbon Footprint

Nutrition *for* Life!

Welcoming New Learners to the Cafeteria.

Nutrition for Life is a 3-day event to welcome Pre-K, Kindergarten, or First Grade students into our cafeteria and make them feel special. We have so much fun introducing them to the tastiest half hour of the day!

Kindergartener Parents

FUN PRIZES AND FREE MEALS EACH DAY!

NUTRITION for LIFE!

Why Try Nutrition for Life?

Your Kindergartener is invited to participate in our 3-day Nutrition for Life event in September in the cafeteria during lunch.

Even devoted lunch packers will really enjoy the celebration!

What is Nutrition for Life?

Nutrition for Life is an event to welcome your child into the cafeteria, make them feel special and introduce them to the tastiest half hour of the day!

3 days in September

Kindergarteners are invited to try a complimentary lunch and breakfast.

A special dining event

to help your child learn how school lunch works.

You'll love it

for the nutritional value, ease and convenience for you and your child!

This event

is made possible through the sponsorship of The Nutrition Group's food vendors!

Our friendly staff will help your child choose a nutritious, delicious lunch.

A variety of kid-friendly favorites and tasty new foods to sample

Fun-filled nutrition education events

Free prizes each day your child participates

Students are offered 1 serving each of meat, grains, and milk, as well as two different servings of fruits and/or vegetables. Your child can choose a minimum of 3 items as long as one is a fruit or vegetable. For more information about the National School Lunch Program visit:

www.fns.usda.gov/nslp/national-school-lunch-program-nslp

The Nutrition Group is proud to be your school district's food service provider. Our goal is to serve your child healthy, nutritious foods in a fun and inviting atmosphere.

We partner with your district to educate your child on the importance of making balanced food choices in and out of school as part of a healthy lifestyle.

No mess, NO FUSS, NO COST.
