  - if CVSD could be eligible for the funding,
  - determine priority capital improvements
  - timeline for award

# CHARTERS VALLEY

---

## SCHOOL DISTRICT

*Inspiring excellence.*

- Grants require a 25% local match and range from \$500,000 to \$5,000,000. DCED will establish a scoring rubric with PDE to prioritize grant awards based on school wealth, building conditions, emergencies, health, safety and security.
- This funding can support the following:
  - Roof repairs and roof replacement
  - Heating, ventilation and air conditioning (HVAC) equipment
  - Boilers and controls
  - Plumbing systems
  - Energy saving projects
  - Health and safety upgrades, including lead and asbestos abatement/remediation
  - Window repairs and window replacement
- Due: Unknown
