Lockers for Life

February 1, 2025

Overview

The purpose of the project is to provide readily available first aid materials to treat trauma related injuries. The first aid materials will be placed in several locations within Chartiers Valley High and Middle Schools.

Goals

1. Locate storage locations within the high school and middle school.
2. Research and develop a list of first aid materials.
3. Purchase first aid materials and place in designated areas.

a community partnership

CHARTIERS VALLEY
SCHOOL DISTRICT *Inspiring excellence.*
