Charters Valley School District
2030 Swallow Hill Road
Pittsburgh, PA 15220

Dear Dr. Vanatta and Mr. Gavlic:

Over the last six years, we have donated approximately \$2600 as well as over \$1000 worth of equipment to Charters Valley. The support from the district was unwavering and unmatched and allowed our organization to continue to grow. In addition to our full season program, we also host learn to play programs for grades K through 8 free of charge. The number of touchpoints for our organization has increased exponentially over the years. Our growth has been phenomenal and it would not be possible without your assistance.

We certainly plan to continue our donation this year for the planned use of the facilities. As a result, attached please find a check for \$700.

We look forward to continuing to cultivate our relationship this year as we look forward to even bigger and better things in the future. On behalf of our organization, we wish you an epic school year.

Mark Kuczinski
President
Charters Valley Youth Girls Lacrosse Boosters
