

## ***Application for a New Student Activity Club***

*Please complete the following information and submit it to the building principal:*

Name of Applicant(s): Rochele Reitlinger *Reitlinger*

Name of Proposed Club: Global Scholars

Date Application Submitted: May 12, 2023

### **1. Purpose and objective of the club.**

to recognize students' global competency as evidenced through focused coursework, literature reviews, community service, and participation in extracurricular activities

### **2. Detailed description of activities, events and frequency of meetings.**

- Students will work to complete the requirements of the Global Scholars program in order to obtain academic recognition at graduation.
  - Students who participate in the Global Scholars program work to show **global competency** in the following ways:
    1. Complete 4 consecutive HS years of the ~~same~~ world language *and* take at least 4 additional credits in courses that have a global focus (World Lit, Macroeconomics, Shaping of the Modern World, etc.)
    2. Actively participate in at least 4 extra-curricular activities that have a global focus such as World Language clubs, field trips, community activities, etc.
    3. Complete a minimum of 20 community service hours that have a global focus
    4. Complete at least 8 literature/media reviews on books and films tied to global topics
- Students who wish to and are able to, may be part of a Global Scholars homeroom where they can collaborate with their peers as they work towards the goals of the program.
- Meetings will be held after school once per month (September - May). Each meeting will feature a guest speaker, discussion topic, or workshop time.
- Global Scholars will participate in the Homecoming Carnival and Celebrate CV.

### 3. List of students and grade who request membership in first year.

*2023-24 is not the first year of the Global Scholars program. This program began in 2016. To date, 31 students have achieved the Global Scholar designation. A significant number of additional students progressed through the program, completing some, but not all, of the requirements.*

*There are over 30 students currently enrolled to continue the program during 2023-24, with more rising freshmen to be added this month (May 2023) or at the beginning of the next academic year.*

STUDENT NAME	CURRENT GRADE
Arulmuni, Britha	9
Costello, Keira	9
