Purpose

The Board recognizes that the misuse of drugs by administrative, professional and support employees is a serious problem with legal, physical and social implications for the whole school community and is concerned about the problems that may be caused by drug use by district employees, especially as the use relates to an employee's safety, efficiency and productivity.

The primary purpose and justification for any district action will be for the protection of the health, safety and welfare of students, staff and school property.

Definitions

Drugs - shall be defined as those outlined in the Controlled Substance, Drug, Device and Cosmetic Act.[\[1\]](#)

Conviction - a finding of guilt, including a plea of nolo contendere, imposition of sentence, or both by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statute.

Criminal Drug Statute - a federal or nonfederal criminal statute involving the manufacture, distribution, dispensing, use or possession of any controlled substance.

Drug-free Workplace - the site for the performance of work at which employees are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance.

Authority

The Board requires that each administrative, professional and support employee be given notification that, as a condition of employment, the employee will abide by the terms of this policy and notify the district of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction.

A device, included under the definition of tobacco product (Policy 323), if sold by a dispensary license in compliance with the Medical Marijuana Act, Federal Law requires the district to maintain a drug -free workplace, at which marijuana of any kind is prohibited. [\[3\]](#)[\[4\]](#)

Any employee convicted of delivery of or possession of a controlled substance with the intent to deliver shall be terminated from his/her employment with the district.[4]

Delegation of Responsibility

A statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the employee's workplace shall be provided by the Superintendent or designee and shall specify the actions that will be taken against the employee for violation of this policy, up to and including termination and referral for prosecution.

Within ten (10) days after receiving notice of the conviction of a district employee, the district shall notify any federal agency or department that is the grantor of funds to the district.

The district shall take appropriate personnel action within thirty (30) days of receiving notice against any convicted employee, up to and including termination, or require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency.

In establishing a drug-free awareness program, the Superintendent or designee shall inform employees about:

1. Dangers of drug abuse in the workplace.
2. Board's policy of maintaining a drug-free workplace.
3. Availability of drug counseling, drug rehabilitation, and employee assistance programs.
4. Penalties that may be imposed for drug abuse violations occurring in the workplace.

The district shall make a good faith effort to continue to maintain a drug-free workplace through implementation of this policy.

Where required by law (Transportation) the district will maintain policy fully compliant with federal guidelines. The district will also implement drug and alcohol testing into new hire physicals.[6]
