RE: New Scoreboards For HS Gymnasium

Dear Mike:

We are pleased to offer our proposal for a new scoreboard system as follows:

Main Board

Approx overall size is 8' high by 20' wide.

- 1 ea ID24x240 24" high by 20' wide school ID panel to say "Chartiers Valley" in artwork as directed.
- 1 ea BB-2155 LED multisport scoreboard 6' high by 10' wide. The bottom section shows team & player foul information in basketball, and match in progress scores for both wrestling and volleyball. Includes electronic sport captions and programmable team names.
- 1 pr e-captions Includes AllSport 5000 control console w/ hard sided carrying case
- 1 set TNMC-8x48 LED video display, 5.9mm pixel resolution contained within a cabinet that is approx 5.2' high by 10' wide. Capable of showing live video images, animations, and game in progress information. Incls a system laptop computer to contain system software
- 1 ea LVN-252x504 Show Control 18" high by 20' wide non-backlit panel for sponsor artwork as directed.
- 1 ea ID18x240

Aux Scoreboard

Located on the wall opposite the main scoreboard

- 1 ea BB-2155 LED scoreboard to match the board contained within the main board listed above. Incls the same programmable team names, programmable sport captions, and console w/ carrying case.
- 1 lot Installation To include removal of the existing scoreboards with new equipment installed into the same relative locations. Incls making the needed electrical connections from circuits that have been provided by others. We'll also furnish & install the needed fiber optic control wiring, and providing system training to the school's representatives upon completion of training.

All of the above delivered & installed PRICE(lot): \$ 97,100.00

Locker Room Clocks

- 3 ea TI-2031 LED locker room clocks for men's & women's Home & Guest locker rooms and official's room. They show game time remaining during events and revert to time of day clocks during non-game times.
- PRICE(ea): \$ 700.00**

Shot Clocks

- 1 set BB-2115 LED shot clocks that show both game time and shot time remaining. Price includes 1 pair clocks and Backboard perimeter light strips that illuminate when game time is 0:00. Pricing includes installation, but the needed electrical service must be brought to the clock location by others.
 - 1 set BB-2135
- PRICE(lot): \$ 7,400.00**

- NOTES:
- 1) Prices are firm for orders placed by 1/15/23 and shipped to site by 8/10/23.
 - 2) Prices include motor freight shipping costs with delivery to Bridgeville, PA.
 - 3) Prices do not include any sales taxes, please add if applicable.
 - 4) Shipments are approx 20 to 24 weeks from date of order and receipt of scoreboard artwork.
 - 5) School district responsible for bringing the needed electrical service to the video display location.

Thank you for your consideration.
