GRANT AGREEMENT

In addition, the above referenced grant is conditioned on the following terms:

1. The Grantee shall provide Remake Learning with a final budget report on the activities and use of the grant funds.
2. Expenses charged against the grant must be incurred during the grant period. Only expenses stated in the approved budget may be charged. If changes in a budgetary line item whose amount is either ten percent (10%) of that line or more than \$250 are required, prior approval from Remake Learning is required.
3. Any funds not expended must be returned to Remake Learning at the time the final report is submitted. The Grantee must repay any portion of the amount which is not used for the purpose of the grant.
4. Grantees shall collect and submit documentation (pictures, narratives, videos, etc.) to Remake Learning. The grantee will be asked to share documentation at the midpoint and completion of the grant period.
5. Project representatives agree to complete all reporting.
