A Great School Year Awaits!

It's a new beginning, a fresh, bright year. We're more excited than ever to welcome our students back! We've been refining and improving the favorite foods they've come to love and also creating delicious, exciting new chef-crafted meals that we can't wait to share with them.

During the summer months, we also continued our ongoing training for our Regional Managers & Directors of Food & Nutrition by participating in our annual Summer Seminar, where they have the opportunity to learn & grow.

Our hourly cafeteria staff attends our Professional Development Day, where they earn continuing education credit requirements set by the USDA. This training also empowers them to deliver delicious meals with outstanding customer service.

Nutrition *for* Life!

Welcoming New Learners to the Cafeteria.

Nutrition for Life is a 3-day event to welcome Pre-K, Kindergarten, or First Grade students into our cafeteria and make them feel special. We had so much fun introducing them to the tastiest half hour of the day!

Thanks to our amazing sponsors, we were able to provide meals and awards to the Kindergarten grade level on September 17th –19th! Participants received pencils, bookmarks and stickers while they enjoyed a nutritious meal in our cafeteria.

THANK YOU TO OUR SPONSORS!
