Re: Voting Location, Chartiers Valley School District

Dear Mr. Voyer:

I am writing as the President of the Chartiers Valley School Board to notify the Allegheny County Elections Division that for safety reasons our school building located at 2030 Swallow Hill Road, Pittsburgh, Pennsylvania 15220 **may not be used as a polling place for the upcoming election or any future elections.**

Currently our Intermediate School (grades 3-5) is used for voting and is slated to be used for the November 5, 2024, election. Utilization of our school building negatively impacts our ability to operate effectively and educate our students. The School Board has received complaints and concerns from parents, staff, and community members regarding traffic, decorum, movement of students into and out of the school, and safety. For the security of the students, staff and parents of the Chartiers Valley School District, I am hereby declaring that our Intermediate School is no longer available for use by the Allegheny County Board of Elections.

I have made several telephone calls to your office and sent emails through your website, but was unable to reach you. At your earliest convenience please confirm receipt of this letter and that the Elections Division will no longer utilize School District buildings for voting.

Very truly yours,

Darren G. Mariano
President, Chartiers Valley School Board

CC: Joseph Dimperio, Interim Superintendent
